Conclusion

Since its formation in 2002, the institution is growing slowly but steadily with the whole hearted support of the members and well wishers. An amount of Rs. 10,09,201 + 4,80,000 has been received during the period as donation. This amount was collected without any strain on the part of the managing committee. In fact, major portion of the amount was remitted at our office by the donors themselves. Progressive political parties and other organisations in Tvm. Dist. approve and appreciate our work and also extend helping hand. We work in co-operation with other organisations in the field eg. Asraya, Souhrida Vedi, Sujith Smaraka Foundation, Karuna Charties, Abhaya etc. The Residents Association of Chalakkuzhy road and the Janamaitri Police of Medical College are ever ready to help us. We express our sincere thanks to them.

There are some decisions taken by the executive committee which we were not able to implement.

1. Starting a Palliative Care team for the Chalakkuzhy ward.
2. Documentation of the patients with details like day of 1st arrival, nature of disease, duration of treatment, particulars of recovery etc. I sincerely hope that, soon we will be able to take up these projects also. Thanks once again for the whole hearted support of all.

On behalf of the executive committee this report is hereby presented to the general body for discussion, correction and approval.
